*Starting position is figured based on the original draw - we do NOT recalculate once the cars hit the track

*Driver that earns points FIRST wins a TIE | *If you scratch (DNS), you receive ZERO (0.0) Points

*If you 1) Elect to start on the rear or 2) Miss the Draw, you will only receive Finish Position Points (DIAGONAL)

*If you know you want to start in the rear (rookie, car isn't running right), don't draw! Please ask to start the rear!
